Fall 2015

Dear Friend,

We all experience delays as we travel back and forth across Gay Street, Clapboardtree Street and other roads in Westwood as traffic merges toward the highways. One of the great benefits of living in Westwood is encountering scenic views that provide some respite to our hectic lives and remind us of the restorative power of nature. Our “gateways to Westwood” - streets including Clapboardtree, Gay, Hartford, Mill, and Summer - offer rolling old stone fences, wooded forests, and open fields along with protection for habitat. We are reminded that this is one of the reasons many of us chose to live in our town.

Sen Ki's public hiking trails at 1255 High Street

On reverse side: Scenic view at 590 Gay Street

315, 327 Grove Street  
 property preserving view along Summer Street

Please consider donating this year to Westwood Land Trust, a public charity that currently protects over 215 acres on 10 properties along these gateways. Our all-volunteer board works to protect what makes Westwood so special - a suburban community close to Boston that still has rural views and open space that supports wildlife.

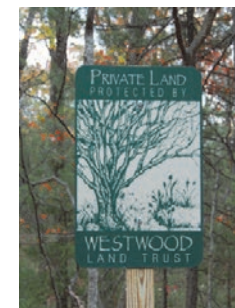

- Westwood Land Trust is the only entity actively working to preserve more land in Westwood.
- We are a local charity that relies on our private donor base.
- We do not receive any funding from the Town of Westwood or from national organizations.

We believe that we owe it to future generations to cherish and protect our open space, and we hope that you feel the same way.

Help keep open space in Westwood by making a tax-deductible contribution this year by mailing a check in the enclosed envelope or by credit card payment at [www.westwoodlandtrust.org](http://www.westwoodlandtrust.org). Throughout every season, think about how lucky we are to live in Westwood as you drive, walk, run, or bike through our town.

Very truly yours,

Westwood Land Trust Board of Directors
